

AUC unites **1071**
territorial communities where
more than 90 percent of the
Ukrainian population resides

ASSOCIATION OF UKRAINIAN CITIES (AUC) is the most powerful non-governmental organisation in Ukraine, which represents the position and advocates interests of local self-government since 26 June 1992.

The Association of Ukrainian Cities has the status of the All-Ukrainian association pursuant to the Law of Ukraine "On Associations of Local Governments".

The Association of Ukrainian Cities has been a member of the Council of European Municipalities and Regions since 2002, and a partner of the European Alliance of Cities and Regions for the Reconstruction of Ukraine

AUC Chairman
Kyiv City Mayor
Vitaliy Klitschko

AUC Executive Director
Oleksandr Slobozhan

📍 73, Sichovykh Striltsiv St.,

AUC CONTRIBUTION TO THE VICTORY IN THE WAR

- organises and coordinates humanitarian aid in cooperation with the Ministry of Infrastructure of Ukraine and military administrations
- coordinates urgent restoration work in communities in cooperation with public authorities and international partners
- provides explanations and assistance to communities in developing and making decisions on the life-support of villages, settlements and cities
- develops and lobbies for the necessary legislative changes for the effective operation and provision of services by municipalities in wartime
- participates in the National Council for the Reconstruction of Ukraine from the aftermath of the war under the President of Ukraine, approved by the Decree of the President of Ukraine of 21 April, 2022 № 266/2022
- engages international organisations and partner associations around the world in supporting Ukrainian communities, promotes inter-municipal assistance
- communicates the signing of partnership agreements with foreign municipalities
- acted as a co-initiator and partner of the online platform Cities4Cities, which helps Ukrainian communities find assistance from European municipalities
- organises and coordinates mutual support and assistance of AUC members - food and other necessary items are sent to frontline and occupied communities by rear communities

- 🏠 Mining Cities
- 🏠 Protection of Rights and Interests of Monofunctional Cities and their Residents

#FreeOurPeople

The AUC takes every effort to release the mayors captured by the Russian military, constantly working with the international community. During the war, the occupiers have abducted 55 local government officials, 35 of whom were mayors. 32 mayors and 18 local representatives have been released. As of December, 2024, two mayors and one community starosta remain in captivity
